Permit fees for <i>new construction and additions</i> shall be based on the	
square footage of the proposed work. Permit fees will include all work being	
done on the project including plumbing, mechanical and electrical. The fee	
shall be based on the published values per square foot as established by the	
February International Code Council Building Valuation Data (BVD) of the	
current year using a regional construction cost adjustment factor of .0055.	
	Varies
Permit fees for building alterations, accessory structures, decks, porches, in-	
ground pools, roofs, siding, windows, doors, gutters and other work not	
specifically stated in flat fee permit list shall be based on the total valuation	,
of the project. See the following fee schedule:  Sidewalk Permit	Varies
