FUTURE

1 Replacement Mini Van

RIDES
Total Rides: 6,937
An increase of 871 over 2024

A billboard graphic with a white background and a grey border. At the top, there are four stylized light fixtures. The main text is in large green letters for 'RIDES', followed by 'Total Rides: 6,937' in dark blue, and 'An increase of 871 over 2024' in a smaller dark blue font. A dark blue upward-trending arrow icon is positioned below the text. The billboard is supported by two grey posts.

TOP DESTINATIONS

- Friendship Center
- Fremont Methodist Hospital
- Walmart
- Davita Dialysis
- Nye Legacy
- Prairie Fields
- Hy-Vee
- Fremont Family Care
- Bakers
- MD West One

FLEX ROUTE

- Launched January 2
- Connects Gifford and Stanton Towers to Walmart
 - About one-third of all Walmart trips
- Allows FTP to provide more efficient service

TRAINING

Transit Manager Dakota Buesing attended the Midwest Transit Conference in Kansas City, September 3–5, 2025, where they networked with regional transit professionals and participated in roundtable discussions on industry trends, challenges, and best practices. Dakota also toured the Kansas City Area Transportation Authority headquarters to gain insight into large-scale transit operations.

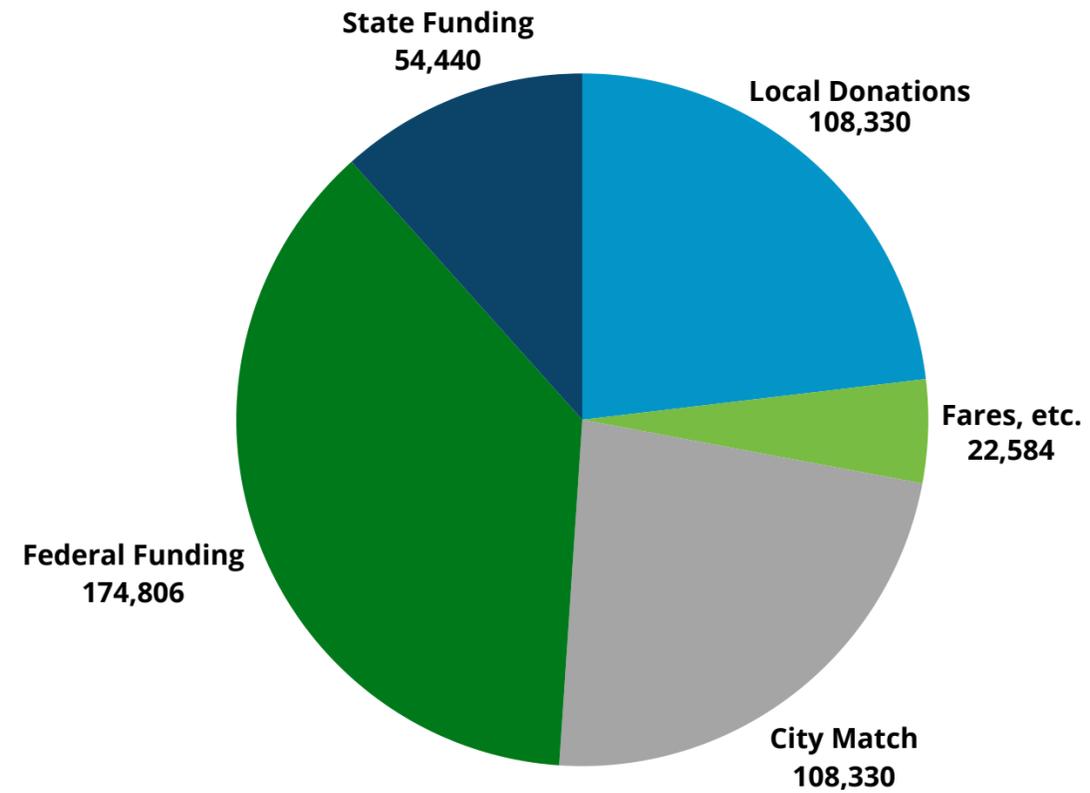

BUDGET
