MUSIC TO MY EARS...

As much as I love music, (and I really do!) the sweetest music to my ears is when I hear a senior say, "I really missed the center when we were closed last week". Those simple words bring great encouragement to me! My continued goal at the center is to provide nutritional lunches, to provide educational programs, great entertainment, and daily activities. While all of these are important, (which they really are!), the most important purpose of my job, and the center, is to provide YOU, my senior friends, a place to go, to make new friends and to realize you are NOT alone! I want to hear you laugh, cry, sing and sigh. This is why I come to work. When I know you have missed us being open...I am reminded that my wonderful staff and I are providing you enjoyment, fellowship, and support, and that my friend, is music to my ears! -Laurie
