

RESOLUTION NO. 2019-049

A Resolution of the City Council of the City of Fremont Nebraska, approving the requirement for contractors who perform any construction work requiring a building permit to register with the building department and add a registration fee to the Master Fee Schedule.

Whereas, the City of Fremont experienced significant damage to properties caused by significant flooding, and;

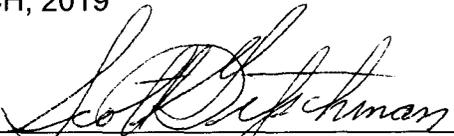

Whereas, it is important to protect the public by ensuring that repairs are made by qualified and insured contractors, and;

Whereas, a contractor is hereby defined as anyone conducting construction work for hire on a project that requires a building permit, and;

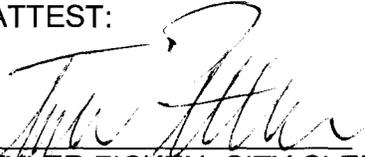

Whereas, requiring contractors to register with the city, provide proof of insurance and proof of a State of Nebraska Labor Department contractor registration will provide protection to residents of Fremont and those in the two-mile extraterritorial jurisdiction,

NOW THEREFORE BE IT RESOLVED, that the Mayor and City Council approve this resolution to require contractors who perform any construction work requiring a building permit to register with the Building Department, submit a \$50 registration fee, provide proof of registration with the Nebraska Labor Department and provide a certificate of liability insurance in the amount of \$250,000 with the City of Fremont listed as an additional insured.

PASSED AND APPROVED THIS 26th DAY OF MARCH, 2019

SCOTT GETZSCHMAN, MAYOR
